**NETA V CELEBRATES 100 BOOKINGS DURING MALAYSIA AUTOSHOW 2023**

**MAEPS, Serdang 07 May 2023** – NETA V, the newest addition to the electric vehicle family in Malaysia, made a remarkable debut at the Malaysia Autoshow 2023, garnering an astounding 100 bookings during its first appearance at the event. The NETA V exhibit was flooded with car enthusiasts who were drawn to the sleek design and impressive, eco-friendly features of this cutting-edge electric vehicle.

"We are pleased to have reached our milestone of 100 bookings during the Malaysia Autoshow 2023. We are grateful to Muhaya Bt. Salleh for being our hundredth customer, and we look forward to delivering her NETA V soon", said Mohd Norazli Mohd Salleh, Group Chief Strategy Officer of the GoAuto Group.

To celebrate this exciting moment, NETA presented Muhaya Bt. Salleh who is the 100<sup>th</sup> customer with a mock-up key to symbolize the hundredth booking.

"I have been on the lookout for an electric vehicle that is both eco-friendly and stylish. I fell in love with the vehicle's sleek, modern look, as well as its warranty offers. I am excited to be part of this milestone, and I can't wait to drive my new NETA V", said Muhaya Bt. Salleh.
